CHIROPRACTIC

We are pleased to invite you to the 5th Annual Benefit for Connor Barwin's Make The World Better Foundation presented by HealthBridge Chiropractic on Wednesday, June 12th, 2019, from 6-9pm at the Philadelphia 76ers Training Complex in Camden, NJ. Funds raised through the past four events have provided critical operating, capital and programming support to assist MTWB in our work with communities around Philadelphia to recreate shared public spaces and inspire ongoing stewardship. Having completed Phase One of construction at Waterloo Playground in 2018 with Phase Two beginning this summer, MTWB continues to grow our impact around the city, engaging youth and adults in all project phases.

Your sponsorship is a chance to join HealthBridge Chiropractic in support of MTWB and the great communities in which we work, live and serve.

Checks can be made out to:

**Make The World Better**  
227 W. Thompson Street, Unit A  
Philadelphia, PA 19122
